

Historic Downtown Culpeper Off-Street Parking Information

General Parking

The Culpeper Parking Authority maintains eight parking lots within the downtown area. All of the lots are available for **FREE** 3-hour parking weekdays from 8:00 am to 5:00 pm, with no time restrictions after 5:00 pm. The Triangle parking lot, near the Culpeper Depot, is available for all day parking.

Permit Parking

Permit parking is also available for \$20.00 per month. This allows the permit holder to park in a public lot of their choice from 8:00 am to 5:00 pm, Monday through Friday, with the exceptions of the E. Cameron Street and W. Cameron Street County Parking Lot. These two lots are **NOT** available for all day permit parking.

Residential Permit Parking is also available, and rates are \$10.00 to \$30.00 per space, per year, depending upon off-street parking conditions. Residential parking permits are allowed in three downtown designated parking districts. The first yearly permit for each residence is free.

Additional Information

If you have questions regarding parking availability in the downtown area, or to obtain a parking permit, please contact the Planning & Community Development Department at 400 S. Main Street, Suite 301, Culpeper, VA 22701.
